## REPORT ON H.R. 4502, DEPARTMENTS OF LABOR, HEALTH AND HUMAN SERVICES, AND EDUCATION, AND RELATED AGENCIES APPROPRIATIONS ACT, 2022

Ms. DELAURO, from the Committee on Appropriations, submitted a privileged report (Rept. No. 117-96) on the bill (H.R. 4502) making appropriations for the Departments of Labor, Health and Human Services, and Education, and related agencies for the fiscal year ending September 30, 2022, and for other purposes, which was referred to the Union Calendar and ordered to be printed.

The SPEAKER pro tempore. Pursuant to clause 1, rule XXI, all points of order are reserved on the bill.

HONORING THE LIFE OF JACK  
MILLER

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor Coach Jack Miller of Tybee Island, Georgia, who passed away on June 23 at the age of 91.

Jack dedicated his life to mentoring and inspiring young athletes in the community. Jack's head coaching career started at Vidalia High School in 1961 and would span 53 years at 11 different schools. He recorded over 700 wins during his career.

Jack was defined by his work ethic, which he passed along to his players. As a lifetime coach, mentor, and motivator, Jack earned numerous awards throughout his career, including the Nike Coach of the Year Lifetime Achievement Award and the John F. Hodges Oasis Award for his outstanding achievement in sports in Savannah.

The only thing he loved more than coaching was his loving family and friends.

Jack's positive impact on his players went well beyond his athletic fields, and I know his legacy will remain. My thoughts and prayers are with his family, friends, and all those who knew him during this most difficult time.

## ENDING SYSTEMIC RACISM

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Madam Speaker, most of the colleagues of this House know that I have introduced H.R. 40, the Commission to Study Slavery and Develop Reparation Proposals for African Americans Act, which can be defined as repairing.

I read to my colleagues an assessment of the U.N. Human Rights chief in a landmark report, launched after the killing of George Floyd in the United States, urging countries worldwide to do more to help end discrimination, violence, and systemic racism against people of African descent and to make amends to them, including repair, reparations.

That word strikes fear in most people's hearts and minds because they don't take a moment to understand what ending systemic racism and institutional racism is or what repairing is. Repairing is a global concept. It means that if you have been harmed or there is something broken, you fix it.

When you think about racism in the United States, it is something broken. There are many ways to address it: dealing with education and healthcare, dealing with the economy of people who have an enormous wealth gap, but breaching the gap and bringing people together.

I ask my colleagues for us to move forward on H.R. 40 because it is healing

legislation, and it will bring Americans together.

ENSURING U.S. REMAINS A  
LEADER IN TECH

(Mr. WALBERG asked and was given permission to address the House for 1 minute.)

Mr. WALBERG. Madam Speaker, I rise today in support of H.R. 3003, the Promoting United States Wireless Leadership Act of 2021.

I want to thank my colleague from Michigan, Representative DINGELL, as well as my fellow 5G Caucus co-chairs, Congressman BILL JOHNSON and Congresswoman ANN KUSTER, for working with me on this important legislation to enhance United States' leadership in the development of wireless standards.

H.R. 3003 directs the NTIA to assist and encourage participation by trusted companies, both large and small, in international telecommunications standards-setting bodies like 3GPP and IEEE. These independent business-led entities determine the standards by which 5G operators, equipment manufacturers, software providers, and others build to.

Not surprisingly, countries like China are increasingly asserting their influence in these bodies in order to skew tech standards toward Chinese-controlled companies and their technologies.

We need a unified approach to push back against international competitors like Russia and China in order to protect U.S. national security, global competitiveness, and cost-effectiveness of wireless communications. Our bill does just that.

H.R. 3003 will undoubtedly help ensure the U.S. remains a leader in the future of tech.

REQUEST TO CONSIDER H.R. 18, NO  
TAXPAYER FUNDING FOR ABORTION  
ACT

(Mrs. HARSHBARGER asked and was given permission to address the House for 1 minute.)

Mrs. HARSHBARGER. Madam Speaker, I rise today in support of the Hyde amendment.

As a mother and grandmother of two precious grandsons, I am committed to protecting the life of the unborn.

Since enacted, the Hyde amendment ban on taxpayer-funded abortions has saved nearly 2½ million lives. We cannot understate the importance of this amendment in saving these precious, innocent lives.

I have taken care of young women with infertility problems for over 30 years, and they would love to cradle a precious baby in their arms. So many want to discard that precious child as just an unnecessary interruption in their way of life.

This is why we need to enact H.R. 18, the No Taxpayer Funding for Abortion Act, to ensure these pro-life protections remain in place.
